About

I'm a young individual with an insatiable desire for good design, perfection and out-of-the box innovations. Currently graduating from a double-master's degree, I'm designing novel interfaces and concepts at ABB Corporate Research. In my free time I like to draw, sketch and illustrate. I recently found a passion for photography and digital arts.

Education

Mobile and Ubiquitous Interaction

MASTER'S DEGREE / 2013-2015

KTH, Royal Institute of Technology, Stockholm

Human-Computer Interaction & Design

MASTER'S DEGREE / 2013-2015

UPS-XI, Université Paris-Sud

Computer Science

BACHELOR'S DEGREE / 2013-2015

UNITN, Università degli Studi di Trento

Experience

ABB AB

VÅSTERÅS, SWEDEN / 2015

Interface and interaction design (master thesis)

Tripster

STOCKHOLM, SWEDEN / 2014

Interface and interaction design, iOS development

Delta Informatica

TRENTO, ITALY / 2013

Interface design, .NET development

Awards & Merits

Champion de France (EPA France, 2014)

1° Place Journée Entrepreneuriat Etudiant (HEC France, 2014)

Special Prize - AppCampus Funding (ITS In Your Pocket 2014)

EU Excellence (Scholarship, 2013-2015)

UNITN Merit (Scholarship, 2010-2013)

Skills

Interface Design

Interaction Design

Video Prototyping

Interactive Prototyping

User analysis and studies

Swift and Cocoa Touch (iOS)

Java (EE, Swing, JVM tech)

.NET

Front-End Web Developmet
